WORKFORCE AND PROFESSIONAL DEVELOPMENT

DATA ANALYTICS

PREPARE FOR A NEW CAREER IN THE HIGH-GROWTH FIELD OF DATA ANALYTICS

Prepare for a new career in the high-growth field of data analytics, no experience or degree required. Get professional training designed by Google and have the opportunity to connect with top employers. There are over 251,000 open jobs in data analytics with a median entry-level salary of \$95,000 in the U.S.¹

Data analytics is the collection, transformation, and organization of data in order to draw conclusions, make predictions, and drive informed decision making.

Over 8 courses, gain in-demand skills that prepare you for an entry-level job. You'll learn from Google employees whose foundations in data analytics served as launchpads for their own careers. At under 10 hours per week, you can complete the certificate in less than 6 months.

Applied Learning Project

This program includes over 180 hours of instruction and hundreds of practice-based assessments, which will help you simulate real-world data analytics scenarios that are critical for success in the workplace. The content is highly interactive and exclusively developed by Google employees with decades of experience in data analytics. Through a mix of videos, assessments, and hands-on labs, you'll get introduced to analysis tools and platforms and key analytical skills required for an entry-level job.

Platforms and Tools You Will Learn

Presentations, Spreadsheets, SQL, Tableau and R Programming

Course Length

Less than six months, self-paced online training. Available on your schedule! Taught in 11 languages.
