WORKFORCE AND PROFESSIONAL DEVELOPMENT

PROJECT MANAGEMENT

AN IMMERSIVE FOUNDATION IN PROJECT MANAGEMENT SKILLS AND PRACTICES

Prepare for a new career in the high-growth field of project management, no experience or degree required. Get professional training designed by Google and get on the fasttrack to a competitively paid job. There are over 464,000 open jobs in project management with a median entry-level salary of \$87,000 in the U.S.¹

Project managers are natural problem-solvers. They set the plan and guide teammates, and manage changes, risks, and stakeholders.

Gain in-demand skills that will prepare you for an entry-level job. Learn from Google employees whose foundations in project management served as launchpads for their own careers

Applied Learning Project

This program includes over 140 hours of instruction and hundreds of practice-based assessments which will help you simulate real-world project management scenarios that are critical for success in the workplace.

The content is highly interactive and exclusively developed by Google employees with decades of experience in program and project management.

Skills you'll gain will include: Creating risk management plans; Understanding process improvement techniques; Managing escalations, team dynamics, and stakeholders; Creating budgets and navigating procurement; Utilizing project management software, tools, and templates; Practicing Agile project management, with an emphasis on Scrum.
